I. COOPERATIVE ENFORCEMENT WITHOUT REQUEST

The Agencies recognize related criminal activities routinely occur across jurisdictional lines and that cooperation between Agencies can increase the effectiveness of law enforcement throughout Hamilton County. Any Agency or Agencies may proceed without request from a cooperating Agency generally according to the following guidelines:

A. In-Progress Crime Assistance Without Request

Whenever an on-duty law enforcement officer from one jurisdiction views or otherwise has probable cause to believe a criminal offense has occurred outside the officer's home jurisdiction but within the jurisdiction of a cooperating Agency the officer may make arrests according to law and take any measures necessary to preserve the crime scene. Control of any arrested person, evidence and the crime scene shall be relinquished to the first available officer from the jurisdiction within which the crime took place. The arresting officer may immediately transport or relocate any arrested persons or evidence if the officer determines that remaining at the crime scene could endanger himself or others or threaten the preservation of any evidence.

B. Whenever an on-duty law enforcement officer from one jurisdiction views or otherwise has probable cause to believe that a serious traffic offense, including DUI violations, has occurred within the jurisdiction of another cooperating Agency the law enforcement officer may stop, arrest or cite the suspected violator according to law. The DUI or other traffic violator will be turned over to the first available officer from the cooperating Agency for completion of all necessary processing. The initiating officer will provide any further assistance to the limited extent necessary for subsequent court proceedings.

II. INVESTIGATION OUTSIDE ORIGINAL JURISDICTION

On-duty officers from one Agency may, without request or prior notice, continue to conduct investigations that originate within their home jurisdiction into the jurisdiction of any cooperating Agency. If enforcement action is anticipated the location and nature of the investigation will be reported to the appropriate cooperating Agency. Subsequent arrests, search warrant service or similar police actions will be coordinated with the affected Agency.

III. INDEPENDENT POLICE ACTION

The police department of any cooperating Agency may provide police protection service to any other cooperating Agency without request. Each cooperating Agency that is a party to this contract shall provide a certified copy of a resolution adopted by the appropriate legislative authority that authorizes both the provision and receipt of such services by each cooperating Agency. Such certified copies shall be kept on file with the original of this contract in a location to be agreed upon by the Agencies.

IV. OPERATIONAL ASSISTANCE UPON REQUEST

The Agencies recognize that special public safety incidents occasionally occur that require the services of additional law enforcement personnel. Such additional services may be provided by or to any cooperating Agency generally according to the following guidelines:

A. Dangerous Criminal Activity

Whenever one Agency reports criminal activity and that Agency is unable to provide the immediate response necessary to prevent death, serious physical harm or substantial property loss as a result of said criminal activity, that Agency may request police assistance services of any nature from any other Agency.

B. Searches for Fugitive or Wanted Persons

When one Agency is conducting a search for a fugitive person whose presence is reasonably believed to be within the Agency jurisdiction and immediate police assistance is reasonably necessary to apprehend or prevent the escape of the fugitive or to protect the safety of persons and property from imminent danger related to said fugitive, that Agency may request police assistance services from any other Agency.

C. Traffic Control Assistance

1. Whenever a traffic accident involving suspected injuries, a driver under the influence (DUI) or other serious traffic violation is reported to the jurisdiction in which the accident occurred, and that Agency is unable to provide the immediate response necessary to render aid to the injured, prevent further injury, prevent serious property loss, or arrest a suspected DUI violator, then a cooperating Agency may be contacted for any necessary assistance. The cooperative effort will include necessary first aid, traffic control, accident scene protection, property protection, and detention of any suspected DUI or serious traffic violators. The requesting Agency will assume control of the accident investigation and any suspected DUI violators as soon as possible.

E. Police services assistance can be initiated by any on-duty officer who has probable cause to believe a crime is in progress.
